STUDY GUIDE

Luke 16:10–11; 2 Corinthians 9:6, 10; Galatians 6:7–10; Matthew 13:8; Luke 6:43–45

Observation questions

1. In Luke 16:10–11, what does Jesus say about faithfulness with little and being trusted with more?
2. According to the message, how does money reveal the heart of the person who holds it, and how do a pure heart and a corrupt heart use money differently?
3. In 2 Corinthians 9:10, what does God provide to the sower, and what does the message teach about the purpose of seed and bread?
4. What evidence does Pastor Jeff identify as signs of “good soil,” and what examples does he give of generosity changing lives?

Interpretation questions

1. The message says, “He increases your seed to increase your impact.” How does this challenge the idea that financial increase is only for improving our lifestyle?
2. What does Pastor Jeff mean by “When you sow, faith is determined by your throw”? How does 2 Corinthians 9:6 connect generosity with trust in God?
3. Why does “where produces the what” matter when deciding where to give? How do excellence, integrity, and visible fruit help distinguish wise generosity from careless giving?
4. How does Galatians 6:7–10 explain the statement, “What you sow follows you into eternity”? How does that perspective change the way we think about generosity?
